

# Welcome Home Baskets

After being without a home for months, moving into a house or apartment is a major milestone for our clients. Many of the families we help to find housing arrive with few belongings other than clothing. To help them settle into their new homes, we provide "Welcome Home Baskets" filled with essential items. By helping us to fill the baskets, you can help give our clients another reason to celebrate their journey to a new home.

## Suggested Items for Welcome Home Baskets

We recommend that donations for Welcome Home Baskets are new or in very gently used condition.
